

## Quincy Tri-State Health Care Coalition and HealthLink – A Winning Combination!

If you're shopping for affordable health care benefit options for your employees, choose the combination of two strong local organizations: Quincy Tri-State Health Care Coalition (TSHCC) and HealthLink.

By joining TSHCC, you have the opportunity to offer affordable health care benefits to your employees and their families. TSHCC is committed to improving the quality and value of services offered throughout the tri-state area and addressing the crisis of rising health care costs.

### The HealthLink Advantage

With HealthLink, employees have freedom of choice in one of Illinois' largest provider networks. For more than 30 years HealthLink has supported its membership by offering innovative health care products to control costs. HealthLink's Open Access Network and suite of health management programs offer affordable solutions.

#### HealthLink Open Access Network

The Open Access network is one of the nation's premier regional health care networks with more than 80,000 participating providers. It includes:

- Broad access to physicians and hospitals your members know and trust
- Multiple health and wellness programs that keep your population healthier
- Extensive claims reporting providing utilization, cost and quality data

### **HealthLink Medical Management**

Medical Management offers high-quality, cost-effective health care services including inpatient and outpatient utilization management and case management for your employees.

### **HealthLink Open Access Connect**

TSHCC employers get a discounted rate on Open Access Connect, a bundle of integrated programs. It combines the Open Access network with four health management and promotion components – Medical Management, Maternity Management, 24-Hour Nurse Line and Lifestyle Management. Bundling these programs ensures the sharing of information across all components of service including the provider, employer, care management team and the member. This combination helps control costs while optimizing outcomes.

### **We Take Pride in Our Personal Service**

You will not be a number when working with TSHCC and HealthLink. We are local and it's important to us to provide strong personal attention to build a benefit plan that works for your employees. Customization is our strength and we will build it based on your needs.
